

“The cow and you” Cow trekking on the Bolderhof

For people who are looking for closer contact to our animals, we offer half-day tours with our cows.

After a brief introduction to the animals you will prepare for the ride. Along our tour, we go over the vast fields and meadows, along the river Rhine and through the forest. Even the hardest trekkers need a break, so we stop in a secluded spot with an organic snack.

After we get back on the Bolderhof we return the animals to the pasture and finish the trekking with refreshment.

Bring: comfortable clothes, good shoes, spare clothes depending on the weather

Cow trekking is for adults and children from 10 years old. Younger children are possible only with an adult to hold the cow.
